Our Values

Let's make sure we are on the same page!

We are keen to work with people that are seeking to make an impact or support impact ventures.

Sustainability

“People, Planet and Profit sits at the heart of what we do. If you feel the same, we would like to hear more.”

Innovation

“Energy follows intention. Be the change that you want to see in the world. Walk the walk. However you phrase it, we believe in positive change.”

Empathy

“We have first-hand experience of the highs and lows that come with ambitious ventures. We understand the pitfalls, we feel the euphoria. We won't waste your time.”

Who we work with

We work internationally with clients and partners seeking to make a positive impact

Our consultancy and training services support your organisation in structuring and differentiating your impact venture to maximise the chance of securing funding

Disruptive Tech Companies

Benefit from our:

- Extensive success in securing R&I grant funding
- Business network of funders, advisors and partners
- Experience of setting strategies to scale-up

Multi-Partner Collaborations

Benefit from our:

- Experience of developing long-term, international partnerships
- Success in securing EU grant funding for collaborative partnerships
- Proven collaborative processes

Digital & Sustainable Cities

Benefit from our:

- Strategic approach to establishing partnerships and securing funding
- Links to technology partners operating across the EU on Open Data and Interoperability projects

Innovative Not-for-Profits

Benefit from our:

- Understanding and experience of grants. CSR, Tenders and other sources of non-dilutive funding
- Low-risk fee structure that is weighted on success

Our Clients

3 recent client case studies

We work with businesses, not-for-profits, public sector organisations and social entrepreneurs inspired by global challenges

Z A P ≠ G O

THE ULTRA FAST CHARGE

“The Venturenomix directors have been developing successful EU Grant applications since 2009 – they understand what the assessors need to see.”

Simon Harris, Funding Director

“The grant funding is transformational. It means we can recruit and maintain an internal tech-team.”

Martyn Walker, Founder

“We can highly recommend the services and would advise getting these guys involved at the positioning and structuring stage.”

Laurence Ellis, CEO
